Helping groups do what they can't do for themselves.

PREAMBLE

ALCOHOLICS ANONYMOUS is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

- *The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.*
- *A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes.*
- *Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.*

SERVICES AND PURPOSES OF THE CENTRAL OFFICE

- 1 To act as a service unit for groups and members of A.A., as a point of contact with A.A. for the general public, accepting and relaying to the nearest A.A. group pleas for help from alcoholics and their families.
2. To act as a clearinghouse for information of A.A. meetings and other activities maintaining current lists and making the information available to all groups and individual members of A.A. as well as to visitors and other interested parties.
3. To provide information and speakers for outside agencies, and organizations, on the subject of Alcoholics Anonymous, when requested.
- 4, To assist in the organization and establishment of new A.A. groups and to provide **A.A.** meetings and services for institutions and other social agencies when requested.

THE TWELVE STEPS

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God *as we understood Him*.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God *as we understood Him*, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

THE TWELVE TRADITIONS OF ALCOHOLICS ANONYMOUS

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority — a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A. A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose — to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
7. Every A. A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

The Promises

“If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellows. Self-seeking will slip away. Our whole attitude and outlook upon life will change. Fear of people and of economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize God is doing for us what we could not do for ourselves.”

Pages 83 & 84 of Alcoholics
Anonymous (The Big Book)

The Spirit Of A.A.

It cannot be touched. . . nor can it be completely understood. It is as wide as the world, yet small enough to fit snugly into the mind and heart of any person. It has brought light where only darkness dwelt.

It has given hope to the helpless and help to those who yearned in despair. It has given strength to weak and humility to the strong. It has given greatness to the common. It has spurred to higher goals those who strove for nothing. It has brought the destitute home. It has transformed sorrow into happiness. It has given purpose to the trackless and shelter to the lost.

It has taught patience to the hurried and action to the slothful. To youth it has given vision. To the aged -- promise. To the lonely -- companions. To the restless -- rest. To the sick it has been a doctor. To the dying it has revived the desire to live. To those who have fallen -- it has been a helping hand. It has no judgment against the unteachable, nor has it praise for those who learn. To the out-cast it has been family. To the ignorant -- wisdom. To the wise -- tolerance.

It has given to all men and women, that which is most precious. It has given love for truth, with enough love left over to share with one another.

IS A.A. FOR YOU?

Only you can decide whether you want to give Alcoholics Anonymous a try.

We in A.A. came because we finally gave up trying to control our drinking. We still hated to admit that we could never drink safely. Then we heard from other A.A. members that we were sick, and had an illness. We found that many people suffered from the same feelings of guilt, loneliness and hopelessness that we did. We found that we had these feelings because we had the disease of alcoholism.

We decided to try and face up to what alcohol had done to us. Here are some of the questions we tried to answer with honesty. We answered YES to four or more questions, we were in trouble with our drinking. See how you do. Remember, there is no disgrace to learn we have a problem. The disgrace is in not doing anything about it.

- | | YES | NO |
|--|--------------------------|--------------------------|
| 1. Have you ever decided to stop drinking for a week or so, but only lasted a few days? | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Do you wish people would mind their own business about your drinking and stop telling you what to do? | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Have you ever switched from one kind of drink to another in the hope that this would keep you from drinking so much or getting drunk? | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Have you had a drink in the morning during the past twelve months? | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Do you envy people who can drink without getting into trouble? | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Have you had any problems connected with drinking during the past year? | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Has your drinking caused trouble at home? | <input type="checkbox"/> | <input type="checkbox"/> |
| 8. Do you ever try to get extra drinks at a party because you don't usually get enough? | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. Do you tell yourself you can stop drinking any time you want to, even though you keep getting drunk when you don't mean to? | <input type="checkbox"/> | <input type="checkbox"/> |
| 10. Have you missed any days from work that may be due to drinking? | <input type="checkbox"/> | <input type="checkbox"/> |
| 11. Have you ever had blackouts? (<i>A blackout is when there are hours or days we can not remember.</i>) | <input type="checkbox"/> | <input type="checkbox"/> |
| 12. Have you ever felt that your life would be better if you did not drink? | <input type="checkbox"/> | <input type="checkbox"/> |

Did you answer YES four or more times? If so you may be in trouble with alcohol. Why do we think this? Because many hundreds of thousands of people sober now in A.A. have found out the hard way that these were the early warning signs..

Only you can decide whether Alcoholics Anonymous can be of benefit to you. A.A. has helped many people like yourself, who were willing to try this simple program of recovery. If you are willing please call us. We will be glad to tell you how we stopped drinking and stayed stopped, CALL 202-966-9115.
