Some Typical Misconceptions

Here is a list of things that **A.A. IS NOT and DOES NOT DO:**

IS NOT a religious organization.

IS NOT a temperance movement.

IS NOT an educational agency and does not engage in education about alcoholism.

IS NOT a cure or a "cure all."

DOES NOT solicit members or provide initial motivation for alcoholics to recover.

DOES NOT engage in or sponsor research.

DOES NOT follow up or try to control its members or keep attendance records or case histories.

DOES NOT join "councils" of social agencies.

DOES NOT provide any treatment for alcoholism, provide drying-out or nursing services, hospitalization, drugs, or make medical or psychological diagnoses.

DOES NOT provide housing, food, jobs, money, transportation, domestic or vocational counseling, or offer any other welfare or social services.

DOES NOT provide letters of reference to parole boards, lawyers, court officials, schools, businesses, social agencies, employers, or any other organization or institution.

DOES NOT accept any money for its services or accept contributions from non-A.A. sources.

The sole purpose of Alcoholics Anonymous is to help the alcoholic who wants to stop drinking.

- A.A. members share their experience with anyone seeking help with a drinking problem.
- A.A. members offer person-to-person sponsorship to the alcoholic coming to A.A. from any source or referred by any source.
- A.A. sponsors help new members develop a program of recovery by working the Twelve Steps and Twelve Traditions of A.A.
- A.A. meetings reinforce recovery and help members develop a satisfying life without alcohol.
- Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

THE TWELVE STEPS

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

God grant me the serenity to accept the things I cannot change, courage to change the things I can, and wisdom to know the difference.

THE TWELVE TRADITIONS OF A.A.

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as he may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional; but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

A.A. PREAMBLE

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

An A.A. Group

Traditionally, two or more alcoholics meeting together for sobriety may consider themselves an A.A. group, provided that as a group, they are self supporting and have no outside affiliation. Groups listed in the directory are listed at their own request.

A directory listing does not constitute or imply approval or endorsement of any group's approach to our practice of the traditional A.A. Program.
