Is A.A. for You?

Only you can decide whether you want to give A.A. a try — whether you think it can help. The questions that follow below may help you make a decision.

We who are in A.A. came because we finally gave up trying to control our drinking. We still hated to admit that we could never drink safely. Then we heard from other A.A. members that we had an illness. (Some of us thought so for years!) We found out that many people suffered from the same feelings of guilt and loneliness and hopelessness that we did. We found out that we had these feelings because we had the disease of alcoholism.

We decided to try to face up to what alcohol had done to us. Here are some of the questions we tried to answer *honestly*. If we answered "Yes" to four or more questions, we were in deep trouble with our drinking. See how you do. Remember, there is no disgrace in facing up to the fact that you have a problem.

		Yes	No
1	***Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days?*** Most of us in A.A. made all kinds of promises to ourselves and to our families. We could not keep them. Then we came to A.A. and A.A. said: *"Just try not to drink today."* (If you do not drink today, you cannot get drunk today.)	❑	❑
2	***Do you wish people would mind their own business about your drinking — stop telling you what to do?*** In A.A. we do not *tell* anyone to do anything. We just talk about our own drinking, the trouble we got into, and how we stopped. We will be glad to help you, if you want us to.	❑	❑
3	***Have you ever switched from one kind of drink to another in the hope that this would keep you from getting drunk?*** We tried all kinds of ways. We made our drinks weak. Or just drank beer. Or we did not drink cocktails. Or only drank on weekends. You name it, we tried it. But if we drank *anything* with alcohol in it, we usually got drunk eventually.	❑	❑
4	***Have you had to have a drink upon awakening during the past year?*** Do you need a drink to get started, or to stop shaking? This is a pretty sure sign that you are not drinking "socially."	❑	❑
5	***Do you envy people who can drink without getting into trouble?*** At one time or another, most of us have wondered why we were not like most people, who really can take it or leave it.	❑	❑
6	***Have you had problems connected with drinking during the past year?*** Be honest! Doctors say that if you have a problem with alcohol and keep on drinking, it will get worse — never better. Eventually, you will die, or end up in an institution for the rest of your life. The only hope is to stop drinking.	❑	❑

		Yes	No
7	***Has your drinking caused trouble at home?*** Before we came into A. A., most of us said that it was the people or problems at home that made us drink. We could not see that our drinking just made everything worse. It never solved problems anywhere or anytime.	❑	❑
8	***Do you ever try to get "extra" drinks at a party because you do not get enough?*** Most of us used to have a "few" before we started out if we thought it was going to be that kind of party. And if drinks were not served fast enough, we would go someplace else to get more.	❑	❑
9	***Do you tell yourself you can stop drinking any time you want to, even though you keep getting drunk when you don't mean to?*** Many of us kidded ourselves into thinking that we drank because we wanted to. After we came into A.A., we found out that once we started to drink, we couldn't stop.	❑	❑
10	***Have you missed days of work or school because of drinking?*** Many of us admit now that we "called in sick" lots of times when the truth was that we were hungover or on a drunk.	❑	❑
11	***Do you have "blackouts"?*** A "blackout" occurs when we cannot remember what happened for hours or days while we were drinking. When we came to A.A., we found out that this is a pretty sure sign of alcoholic drinking.	❑	❑
12	***Have you ever felt that your life would be better if you did not drink?*** Many of us started to drink because drinking made life seem better, at least for a while. By the time we got into A.A., we felt trapped. We were drinking to live and living to drink. We were sick and tired of being sick and tired.	❑	❑

What's your score?

Did you answer "Yes" four or more times? If so, you are probably in trouble with alcohol. Why do we say this? Because thousands of people in A.A. have said so for many years. They found out the truth about themselves — the hard way.

But again, only *you* can decide whether you think A.A. is for you. Try to keep an open mind on the subject. If the answer is "Yes," we will be glad to show you how we stopped drinking ourselves. Just call.

A.A. does not promise to solve your life's problems. But we can show you how we are learning to live without drinking "one day at a time." We stay away from that "first drink." If there is no first one, there cannot be a tenth one. And when we got rid of alcohol, we found that life became much more manageable.

THE TWELVE STEPS

1. We admitted we were powerless over alcohol—that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all.
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory, and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

THE TWELVE TRADITIONS OF A.A.

1. Our common welfare should come first; personal recovery depends upon A.A. unity.
2. For our group purpose there is but one ultimate authority—a loving God as he may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for A.A. membership is a desire to stop drinking.
4. Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
5. Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
6. An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
7. Every A.A. group ought to be fully self-supporting, declining outside contributions.
8. Alcoholics Anonymous should remain forever non-professional; but our service centers may employ special workers.
9. A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
10. Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio and films.
12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

A.A. PREAMBLE

Alcoholics Anonymous is a fellowship of people who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes.

Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

An A.A. Group

Traditionally, two or more alcoholics meeting together for sobriety may consider themselves an A.A. group, provided that as a group, they are self supporting and have no outside affiliation. Groups listed in the directory are listed at their own request.

A directory listing does not constitute or imply approval or endorsement of any group's approach to our practice of the traditional A.A. Program.
